

Donation Guidelines

The Thrift Shop greatly appreciates the generous, year-round donations we receive. It is helpful to our volunteers when clothes donated are brought in without hangers, and, if possible, washed, folded, and placed in plastic bags or cardboard boxes. Likewise, if possible, we would appreciate it if household items, toys, sports equipment, etc. are cleaned before bringing them to the Thrift Shop. In order to provide enough time to complete sorting and storage of the day's donations, the Thrift Shop closes the donation intake area at 2:30 PM.

For several reasons, the Thrift Shop cannot accept:

Computers
Computer Accessories
Microwaves
Televisions
Dehumidifiers
DVD and VCR Players
Large Appliances

Drapery Rods
Downhill Skis
Christmas Trees (over 4' tall)
Reader's Digest Condensed Books
Encyclopedias
Library Discards
Damaged or Moldy Books

Because of the limits in volunteer coverage, the Thrift Shop Furniture Annex is only open on Saturdays. All furniture, exercise equipment, and large book donations must be approved before acceptance.
