

Dear Members and Friends of St. Matthias,

THANKS for GIVING to all our volunteers who make St. Matthias the very special place of worship and service that it is. We would not have our outreach to the community in Caritas, Tom's Table, the Little Free Pantry or the Thrift Shop without you. The smooth day to day operation of St. Matthias relies on the dedicated work of the members of our Vestry, the Choir and Music Team, members of the Altar Guild, all who volunteer to make our Sunday and Evensong Services so meaningful, the Facilities Team, the Pastoral Care Team, our Finance Committee and the Search Committee. We are truly blessed to have our four Supply Priests: Dick, Steve, Ken and Steve, our Administrator, Stephanie Rajnicek, Financial Assistant, Mary Strong, and Kathy Amour our organist. Please take a moment to reflect and be thankful for all who make up our St. Matthias family.

The Little Free Pantry has been restocked twice in the past week! Please continue your generosity.

I have attached the latest financial report from our Treasure, Mark Schuler. At this time Mark and our Finance Committee are working on the 2023 Church budget as well as our upcoming Stewardship drive for 2023. Information regarding both projects will be sent out in the near future. [Read the Treasurer's report here.](#)

I hope you are planning on attending our special Thanksgiving Evensong service tomorrow night at 6pm where we will be celebrating our newest members and enjoying a turkey dinner with all the trimmings.

I am praying that each of you has a safe and joyful holiday. I am very thankful for each of you!

Ron Glowac
Senior Warden
